

TO WHOM IT MAY CONCERN,

My name is James D. Cornett and I go by the name of Doug Cornett. I am an avid "collector" of most any and every thing. As a "collector" I often buy many things that do not have a complete description as to condition and or history, therefore it holds true that when I sell most "items" they are sold "as is" and in "as is" condition. I make no claim as to the "history" of the "item" for sell, nor do I imply a guarantee of any kind. I do not guarantee "matching" numbers on cars as an example, nor do I guarantee the accuracy of mileage. When you buy a car, as an example, you buy that car "as is" with no implied conditions.

When selling the many other "items" that I collect the fact remains that I offer no guarantees and will accept no returns. As with automobile, when you leave my presence with the vehicle and or "item" it is YOURS, AND YOU WILL NOT BE ABLE TO RETURN SAID VEHICLE, OR "ITEM." The originality of whatever you purchase is at your risk as well. This will include any errors that might be typographically, to include any errors made in description, color, price, style, advertisement, or equipment and to include the Internet as well.
