

## ASK ME

ASK ME...to share your pain and it will be mine to bear.

ASK ME...when my life began and I'll say when I met you!

ASK ME...where I am going in life and I'll say where you go.

ASK ME...to write a poem of my love for you and I shall.

ASK ME...to walk with you and I'll wish for it to be endless.

ASK ME...to hold you and I'll warm your very soul.

ASK ME...to give you life and it shall be done.

ASK ME...to spend a lifetime with you and the pleasure will be mine.

ASK ME...to grant you forgiveness and it shall be done.

ASK ME...to love and honor no other and this request will be so easy.

ASK ME...to defend your honor and so shall it be.

ASK ME...of all things possible and it will be my honor to grant you such.

ALL YOU HAVE TO DO...ASK ME.

I'M WAITING!

Sincerely,  
James D (Doug) Cornett
